

**Alexandria Crew Boosters
Fall Crew/ODBC Crew
Parent Volunteer Dockmaster Form**

ACB's safety policies require that there be a dockmaster at the Boathouse at all times during practice, to stay in radio contact with crews on the water, and supervise student athletes who are not on the water. During the summer and fall rowing seasons, we rely on parents to act as volunteer dockmasters.

For the 2008 season, ODBC Crew practices daily from 4:30 to 6:30, August 25 through November 2. Fall Crew practices Monday, Wednesday and Friday from 4:15 – 6:15, September 15 through October 24.

Please use this form to indicate days and times you will be available for dock duty. Note: Tuesday and Thursday are ODBC only. ACB will contact you to set up the schedule.
